

Your Vote Matters!

Soon, you will have the opportunity to decide whether or not you want to unionize with 32BJ SEIU.

Your voice is important, and voting is the only way to have your voice heard in the election.

The outcome of the election will be determined **only by those eligible voters who actually vote**. That means the majority of those who vote, not the majority of eligible voters, will determine the election outcome for everyone.

If you don't want a union, vote NO on September 4!
